

Daddys Rules: Protected

Gabrielle Charles is a woman at a crossroads in her life. All hope seems to be lost until she meets a man who offers her everything she wants one morning out of the blue. The darkly handsome rich and younger Frenchman is Valentin Coudray. He wants to bare Gabrielle's truth in the most literal sense of the world. He offers to become her Daddy and introduce her to the delights of the new world she craves to belong to in return for being allowed to love, protect and cherish her in every sense.

Can Gabrielle allow herself to submit willingly to the dominant man and the power he wields or will she forsake her needs to accommodate others yet again and let her chance to have all that she wishes for slip away? In the fourth instalment of the Daddys Rules series it is time for Gabrielle to decide whether or not to leave her old cold loveless marriage for good and allow Daddy to love and protect her. Can she finally let go and submit to him and the pleasure her submission brings?

Publishers Note: Daddys Rules: Protected is Book Four in a series. Book One is Acceptance, Book Two Worship and Book Three is Duty. It features age play, spanking romance, Domestic Discipline and elements of BDSM. If this does not appeal to you please do not buy this book.
