

# IELTS Writing (Basic Training New Orientals Appointed Teaching Material for IELTS)

This book gives a general introduction to IELTS writing and its grading standard. It systematically describes preparation process and steps of writing while focusing on commenting expression of IELTS writing, reviewing assignments and summarizing the mistakes are often made by Chinese examinees in order to comprehensively enhance examinees stylistic awareness and writing skills. It explains how to make IELTS writing coherent, and explains IELTS graph writing and argumentative writing by categories. It summarizes different kinds of questions of each type of writing and commonly used phrases and sentences, and provides writings of different grades under the same topic for examinees self testing.
