

## The Mirror of Nde: A Novel

In the mythical city of Nde lives thirteen-year-old Hadlay and her people, the Ramash. Scorned and abused by the unloving and absent Emperor, the Ramash are poor people, placed second to the ruling class of the Oresed. Young but bold, Hadlay rages against the injustice in her city. When she is chosen for the honor of serving the Prince in the Tower, she hopes to find a way to right the wrong ... but soon discovers that things are worse than she believed.
