

Ray Bradbury (Blooms Modern Critical Views)

The author of Fahrenheit 451 and The Martian Chronicles is among the best-known science fiction and fantasy writers today. His works explore the nature, implication, and limits of the human, in both terrestrial and extraterrestrial realms. Readers will find useful critical commentary on Bradbury's work in this new edition in the Blooms Modern Critical Views series. Also featured are an introductory essay by master scholar Harold Bloom, an index for quick reference, a bibliography, and a chronology of Bradbury's life.
