

## Surviving the Apocalypse in Steinbach, MB

June Westcott has her life planned out. Graduate high school, get married and become a successful author. She feels that she's going to be able to live the dream. Her books are actually starting to sell and she's dating Caleb, the best guy ever. There's just one problem. It looks like it might be the end of the world. A Christian science fiction adventure that takes place in the near future, *Surviving the Apocalypse in Steinbach, MB*, is unique among Christian fiction novels. This story, based on the theme of hearing God, is set in motion by a continent-wide apocalyptic event and propelled towards a dramatic conclusion as June and Caleb listen to God and learn to follow His leading.
