

Finally Home and Finally Found (Love Inspired Classics)

Finally Home After her wedding that wasn't, Hannah Kirkland hides in her parents small Wisconsin town. But hiding is hard in a house under construction! As a friendship blossoms with carpenter Guthrie Thomas, Hannah learns how to build a home and love of her own. Finally Found Ten years ago, Marco Da Palma left Spring Kirkland behind. What did a poor scholarship student have to offer her, anyway? But when Marco, now a successful doctor, finds Spring again, the pair has a second chance. If only Marco can release his fears, and see the happiness that's been waiting all along.
