

Incredible Inventions (Info Adventure (Twocan))

Since the beginning of time, people have come up with ways to make life richer. These ideas have inspired a wealth of new inventions, some essential and some that are just plain silly. From the wheel to virtual reality systems, Incredible Inventions checks out a crucial collection of mechanical marvels, ingenious gadgets and more. Truth is stranger than fiction in this series, which is packed with believe-it-or-not facts about intriguing subjects. Sensational graphics, action photographs and offbeat true stories help make this series irresistible for pre-teen readers. Winner Of The Parents Choice Silver Award
