

Fuck You Heroes: Glen E. Friedman Photographs, 1976-1991

Now in its fifth printing, *Fuck You Heroes* is photographer Glen E. Friedman's uncompromising look at the radicals of youth culture in the extreme worlds of skateboarding, punk and rap. From day one behind his camera, Friedman has had an unerring ability to be in the right place ahead of everybody else. He was a teenaged photographer for *Thrasher* and *Skateboarder* magazines, he created the seminal one-hit punk fanzine *My Rules*, worked with *Black Flag* and *Suicidal Tendencies* in their early days, wrote for *Maximum Rock & Roll*, did street promotion for Def Jams west coast office and shot sleeve photos for everyone from *Minor Threat* to *Public Enemy*. This book presents the photographic distillation of Glen's ethic: it's about the perfect shots of the people who live by the touchstones of intensity and integrity.
