

## Hard Corps (Black Lace)

Remy Harris is a bright young woman starting out as an army cadet at a prestigious military college. Hoping to become an officer, she understands that she will have to endure all the usual trials of military life, including boot-camp discipline and rigorous exercise. She's ready for the challenge - that is until she meets Jacob, who recognises her true sexuality. Initiated into the Hard Corps - a secret society within the barracks - Remy soon becomes absorbed by this clandestine world of ritual punishment and dark pleasures. It's only when Jacob takes things too far that she rebels, and begins to plot her revenge.
