

Now (Felix and Zelda Series)

Set in the current day, this is the final book in the series that began with *Once*, continued with *Then* and is *Now*. Felix is a grandfather. He has achieved much in his life and is widely admired. He has mostly buried the painful memories of his childhood, but they resurface when his granddaughter Zelda comes to stay with him. Together they face a cataclysmic event armed only with their gusto and love an event that helps them achieve salvation from the past, but also brings the possibility of destruction.
