

Shoestrolgy: Discover Your Birthday Shoe

For fashionistas, astrology-devotees, or anyone who is starry-eyed about shoes, this fabulous illustrated gift book reveals what your birthday shoe says about you. Combining astrology with the chic art of shoe design, Shoestrolgy offers a trendy interpretation of your personality as defined by your birthday shoe. Astrologers Tali and Ophira Edut have identified 366 gorgeous shoes--from the Chanel ballet flat, to the Alexander McQueen Armadillo--and paired them with the personality type associated with each day of the year. Featuring original watercolors by noted fashion illustrator Samantha Hahn along with descriptions of the birthday shoes (and why they are fitting), this book provides insight and visual delight on every page.
