

## Strings Attached

From National Book Award winner Judy Blundell, the tale of a sixteen-year-old girl caught in a mix of love, mystery, Broadway glamour, and Mob retribution in 1950 New York. When Kit Corrigan arrives in New York City, she doesn't have much. She's fled from her family in Providence, Rhode Island, and she's broken off her tempestuous relationship with a boy named Billy, who's enlisted in the army. The city doesn't exactly welcome her with open arms. She gets a bit part as a chorus girl in a Broadway show, but she knows that's not going to last very long. She needs help--and then it comes, from an unexpected source.
