

The Divine Comedy: The Inferno, The Purgatorio, & The Paradiso

Dante Alighieris poetic masterpiece is a moving human drama, an unforgettable visionary journey through the infinite torment of Hell, up the arduous slopes of Purgatory, and on to the glorious realm of Paradise-the sphere of universal harmony and eternal salvation. One of the greatest works in literature, Dantes story-poem is an allegory that represents mankind as it exposes itself, by its merits or demerits, to the rewards or the punishments of justice. A single listening will reveal Dantes visual imagination and uncanny power to make the spiritual visible.
