

The House Sissy: Turned into the Billionaire Couples Sexy Servant Girl (Feminization BDSM Bisexual Menage)

Lucas Greene, a violin major in his university's music program, is struggling to meet expenses. When the opulently rich Richard and Liza DuCharme hear Lucas play at a school fundraiser, they're instantly beguiled by the pretty young man and his music. They make Lucas an offer: Come stay in their home and provide them with beautiful music on demand, and they'll provide a low-interest loan for his unpaid school fees. But when Lucas starts finding women's underwear planted in his drawers, he begins to realize that more than just pretty music might be expected from him in return for the DuCharmes' largesse. Richard and Liza are looking for something more than just a musician to sponsor. They want their very own house sissy, a pretty boy-girl all their own, who will serve them and obey their every whim! Will Lucas give in to his most shameful desires and become the girlish, wanton Lucy, all so he can fund his life's dream? *NOVELETTE*

EXCERPT: Being rich is very tiresome, dear, sighed Liza, seating herself on the bed and turning the defunct camera over and over in her beautifully manicured hands. When everything one could ever want is at one's fingertips, one gets bored. Lucas backed up to the dresser and supported himself against it with trembling hands. There aren't many pleasures left in this world for folk like us, she went on, her lovely lips curving in a tired smile. Certainly not conventional ones. How much of it do you have on video? asked Lucas tersely. Oh, all of it, said Liza promptly, and gave a musical laugh. Everything. It's lovely. Thank you for putting on such a good show. You've really spiced things up for us in the bedroom. Lucas stared at her in horror, imagining her with Richard in their opulent bedroom suite, watching him on their enormous HD TV and then . He shuddered and felt an unexpected stirring down there. When we saw you perform at the fundraiser, we

thought you were just lovely, Liza went on warmly. So sweet and passionate. We knew at once you were exactly what we'd been looking for. So this is it? muttered Lucas hoarsely. This is the arrangement? I let you keep cameras in my room and watch me dress up like a girl, and you guys keep paying for my school? Ohno, said Liza with an airy chuckle. We've enjoyed the videos, believe me, dear, but the purpose of all that was to see if you had potential. If you might enjoy the kinds of things we have in mind for you. Lucas felt the color drain from his face. Likewhat? Liza rose from the bed and paced toward him, smiling. She drew to a stop inches in front of him and trailed her hand down his cheek. He shivered. What we want, darling, she breathed, is a pet. A cute little sissy girl to devote herself to us completely and obey our every command.
