

## Health Resources Online

Don't waste your time searching the Web for reliable, informative, updated sites and information. With Health Resources Online, the good Web sites are already at your fingertips. This Internet resource guidebook includes:

- \* Reviews of over 300 Web sites on a variety of topics, including abuse, parenting and family issues, HIV/AIDS, eating disorders, elderly resources, suicide, substance abuse, teen pregnancy, child and adolescent resources
- \* Federal government Web sites listed in alphabetical order for easy access
- \* State government Web sites listed by state
- \* Newsgroups and mailing lists
- \* Over 80 Foundation Web sites as sources of possible funding, including several general foundation sites which allow for searching for foundations by keywords
