

The Pledge (The Scinegue Series Book 2)

When Billy Roth finally accepted God into his life, he secretly thought he was on the path to peace and prosperity. Didn't good things come to those who loved God? After his encounter with his possessed boss went relatively smoothly he was pretty sure this demon stuff would be a piece of cake. Prosperity might be coming through with his new job and awesome new house, but peace is a long forgotten luxury. Whether it's his newfound faith or his connection to Scinegue, Billy and his family are now dead center in an attack by an evil creature, and it's not going away without a fight. Scinegue's Protectors, with Mary Sinclair as their new lead, are on top of this evil attack, working hard to keep the company and the Roths safe from it. But that's not as easy as it sounds. Sneaky attacks from unexpected directions soon have some of the Protectors fighting for their lives. It looks like this might be one battle Scinegue can't win--at least not without a miracle.
