

SEX AT WORK: Five Hardcore Sex Erotica Stories

Sex at work probably doesn't happen nearly as much as we fantasize about it, but that doesn't mean it isn't erotic as hell! Here at Naughty Daydreams Press, we love this fantasy, and we've put together five great office sex and coworker sex erotica stories just for you! Enjoy the workplace romance and be sure to fire that kindle up, but this is definitely NSFW!1. JASMINE AUCTIONED OFF FOR TRAINING (A First BDSM Erotica Story) by Tracy BondParaded nude on stage and auctioned off to the highest bidder. Bought for \$1000. Jasmine can't believe she's agreed to it, and the real fun is just beginning. It's her friend and co-worker Wes, the one to whom she admitted her BDSM curiosity, and now he'll be the one teaching her what it means to be a submissive when bondage, domination, and pleasing a master is involved.2. STOP SMILING, WERE NOT JOKING: A Very Rough Anal Sex Gangbang by Veronica HalsteadCynthia would do anything to get a chance to speak with her superstar husband Ty, but after six years she's losing hope. When she finally gets in touch with one of his agents, the man shows up with a group of friends. Cynthia can get an appointment with Ty, and all it will cost is her virgin asshole! Cynthia is willing to do whatever it takes to get to see Ty, and when she agrees, she even agrees to first anal sex. The rough gangbang that ensues is painful with forced deep throat, forced anal sex, spanking, hitting, and slapping! 3. SALES TEAM MOTIVATION (A Slutty Secretary Striptease and Gangbang erotica story) by Kate YoungbloodCrista figured the guys could use a little boost, and the truth was that they were so far behind in the sales contest that they couldn't possibly win. So, when she told them she'd give them a sexy show in their hotel room prize if they won, she never expected to have to go through with it. The strip tease is humiliating enough, but the guys want moremuch

more! Theyve won, and before long Crista finds herself in the middle of a gangbang, complete with rough sex, her first ever anal sex, and double penetration!4. LAURA LIKES IT ROUGH: The Lawyers Mistress Episode Two by Jessica Crocker Laura has to make an adjustment, being a personal mistress to high-powered attorney Tony. When shes instructed, not asked, to meet him in Vegas, her pride is a little wounded. Still, Tony has kept his part of the bargain, and Laura dutifully shows. There, in a high class suite, Tony shows her how much of a sex toy she can be.5. FUCKING MY HUSBANDS NEW BOSS (An MFF Threesome Erotica Story) by Erika Hardwick Moiras superstar salesman husband Ron finally comes through on his promise of a trip to Paris, and the only thing she has to do is have the sales manager over for dinner on the weekend before they leave. Shes not exactly happy about having some gruff stuffed-shirt over, but Sam is surprisingly different. For one thing, its a dress, and not a shirt! The beautiful sales manager has a number of other surprises in store for Moira, too, starting with her very first lesbian sex right in the middle of a red hot husband share menage a trois! Warning: This ebook contains very explicit descriptions of sexual activity during five sex at work encounters. It includes group sex at work, threesome sex at work, BDSM sex at work, rough sex at work, reluctant sex at work, and double team sex at work. It is intended for mature readers who will not be offended by graphic depictions of sex acts between consenting adults. Sex at work has never been hotter, so point and click today!
